 - Shure SM7B
 - Lavalier
 - Blue Yeti
 - Rode mini-shotgun mic
 - Cameras
 - Sony ZV-1
 - Samsung S21

SUMMARY

I have a knack for creatively sharing information; ranging from science to history to anything in between. I love spreading knowledge in creative ways through both visual and podcast media. I'm a hard worker, who enjoys both working independently and within a team.

EXPERIENCE

Kenpo Karate Edits: [Videos](#) (2024)

- Video Editor, Audio, & Color Correction
- I'm editing Videos of tournaments & Demonstrations for Karate members and their families. I'm also editing class videos for instructor use, so he can see what each student needs to work on.

Documentaries: "20's in the 2020s" and "We Remember" (2023)

- Producer, Videographer, Editor, Interviewer, & Camera Operator
- Brought attention to how to overcome struggles in your 20s. Showed the painful effects of dementia on a family, through interviews and editing.

Discovery: [video](#) (2023)

- Host, Producer, & Editor
- I showed the benefits of self-compassion through on camera entertainment.

Adventures in Knowledge: podcast & miniseries (2022-Today)

- Host, Researcher, Producer, Script Writer, & Editor
- Educated with fun sound effects, music choices, and in-depth research. Added humor to serious topics as well as a geeky twist.
- Podcasts
 - [All about Halloween](#): 27-minute podcast
 - [Prison Systems](#): 30-minute podcast
 - [Tambora \(The Volcano that changed the world\)](#): 5 min
 - [Climate Change & Batman WW1](#): mini-episodes
- Miniseries
 - [Halloween](#)
 - [Rosacea info](#)
 - [Roe V Wade](#)
 - [Random Facts](#)
 - Eye [Abilities](#) • Hazel [Eyes](#) • [Altitude](#) • [ABCC11](#)
